Definitions:	Pinterest is a good visual app to look up recipes.
Equipment required:	<ul style="list-style-type: none">• Pinterest App• IPAD

This app will be a great reference for sandwich, vegan and leftover ideas for lodge lunch. There are also NOTES at the top of every board you can add for helpful ideas. There is also a comment option in every recipe pin where you can write if you have modified, liked/disliked the recipe.

NOTE: Please feel free to **add recipes** or a new board but please **do not delete** recipes in case someone at another lodge uses it.

Process

1. Download the Pinterest app on the kitchen IPAD.
2. Email address to get in is **Heliski23@hotmail.com**.
3. Password - **Galena**.
4. Click on the H with a circle around it on the top right screen. This takes you to the different boards.
5. When you click on a board there is a NOTES button you can add notes and tips.
6. When you click on a pin there is a little Pencil you can click on to write notes/comments about the recipe.
